Urban Scholar Lab

For B.A./M.A./PhD students & Post-Docs in urban research

Idea and goal of the Urban Scholar Lab

The aim of the USL is to provide joint input for your B.A./M.A. or research project related to urban research and to present it to the interested TU Darmstadt community.

Advantages of networking and interdisciplinarity

A supportive and interdisciplinary environment to strengthen your arguments and results, enrich your research design and analysis.

Registration and information

The Urban Scholar Lab takes place twice a semester. Please find all information about presenting your work and the process in our flyer (QR code).
